Aaron Struble
7th Grade Technology

Aaron Struble earned a Bachelor of Arts degree in human resources management from Lewis University in Romeoville, FL. While his roots are in Oklahoma, Mr. Struble and his wife have lived in many places while serving in the Army. Mr. Struble was in the military for many years. He was an instructor for the military, worked for the National Park Service, and served as a leader in many other roles.

He gained knowledge in technology through his various life roles. He looks forward to watching students develop in the areas of technology and life.

Mr. Struble played and coached basketball and is excited to help ASTEC become a basketball contender as student athletes are shaped. He enjoys spending time with his family and running.
